Hedge Witch-Rae Beth 1992 Hedge Witch is a modern guide to the ancient path of the village wisewoman or wiseman. Written in the form of letters from an experienced witch to her two apprentices, solitary witchcraft is offered, not as a substitute for coven worship, but as a fulfilling lifestyle in its own right. Rae Beth explains the importance of the Goddess and her consort, the Horned God, as sources of spiritual strength and worship. The author extols the feminine principles of healing and regeneration as well as attacking greed and self-interest which jeopardize the planet's very future. Rae Beth provides spells for all the key festivals of the witch's calendar; describes and outlines the Pagan approach to finding a partner. Her lyrical letters, accompanied by delicate pen-and-ink sketches, bring the reader towards a deeper understanding of the solitary witch's lifestyle and beliefs.

Spellcraft for Hedge Witches-Rae Beth 2018-01-31 Village wisewomen and men, the community's witches, have always helped to heal wounded lives. When disaster strikes, such as serious illness or some kind of abuse or loss, or when we're struggling through things such as divorce or family conflict, today's hedge witchcraft can still give us the means to help ourselves or others. There are, for example, spells to banish the spirits of cruelty or injustice. There are ways of countering the ill effects of spiteful thoughts which others may hold about us. We can rebuild our sense of ourselves by magic that holds us true to our real life purpose, throughout

any crisis. What is presented here is not superficial and not a shortcut. Rather, it is a powerful process, a method which can be adapted to any situation where help may be needed.

The Hedge Witch's Way-Rae Beth 2018-01-31 Here is a guide to the magical spirituality of the hedge witch, which describes a path that is profound and yet simple - uncluttered by complex ritual, a matter of the heart. The hedge witch is a solitary witch and natural mystic who practises wildwood mysticism, so called because it is the knowledge at the root of the tree of witchcraft. Explained in detail are the witch's prayers, spell-casting and communication with spirits and faeries, including those spirits travelling in the three realms of the magical otherworld. The values and ethics of this most ancient tradition may surprise and delight with their blend of common sense, compassion and wildness. (It is not a spiritual way for conformists!) This book opens the door to all those who feel they are natural witches but are, as yet, uninstructed. The Hedge Witch's Way is a guide for witches of either gender - potential wisewomen or wisemen - that presents the faerie-led practices of our ancestors, in a modern-day context.

And therefore, by the use of rites, spirit journeys, and elven help, we can work heartfelt healing magic. This is a book for the budding spellcaster as well as the experienced hedge witch.

Craft of the Hedge Witch-Geraldine Smythe 2020-08 "The world I was looking at defied description. If it weren't for the haunting voice describing everything to me, I would have regarded it all as nothing more than a fluke; just another strange dream that I would probably forget. But this was no ordinary dream. I was being shown another world in an intentional and purposeful manner. The imagery before me did not change or shift as in a regular dream and when I had questions in my mind, the strange, calm voice would answer me in simple yet shockingly sophisticated ways. Then I suddenly found myself kneeling on the ground directly facing a thick hedge. I turned my head to the left and there she was, also kneeling and facing the hedge. She was looking at me, smiling warmly and knowingly. It was her turn for a question and my answer would change things for me forever."For the Hedge Witch who develops the ability to ride the Hedge, they can straddle worlds at will and the advantages are many. The Hedge Witch's

magic is based on seamlessly shifting themselves into the twilight plane, where miracles are commonplace and their magic flows freely.- As a newer amalgam emerging from and within the traditional paths, Hedge Craft draws from the most pragmatic aspects of witchcraft and shamanism, giving the witch a deeper understanding of their power and practical methods to access their potential.

Lamp of the Goddess-Rae Beth 2018-01-31 At the dawn of a new era we are drawn to modern Goddess spirituality. Rae Beth feels the world can change by sharing our personal spiritual experiences with each other. She has gone within herself for this book of recollections, inner guidance and ancient teachings (which was originally published as *Reincarnation and the Dark Goddess*). She explains individual reincarnation as a microcosm of Earth's great cycles of existence and as a means of developing the love and wisdom needed to manifest the true beauty of the spirit realm. Along with instructions for recalling past lives and developing psychic skills, she gives descriptions of the Otherworld (where we go between lives) as the land of the Dark Goddess - the Queen of the Dead. This is not a fearsome place, but a joyful spirit land where healing flows, whether we approach it from its peripheries in dreams, in meditation, or between incarnations. Rae Beth also includes thoughtful interpretations of various myths of the Goddess in her many aspects - Isis, Kali, Mary Magdalene, Persephone and Tiamat - to name but a few. *Lamp of the Goddess* looks at reincarnation from the viewpoint of a present-day priestess who honours the Deep Feminine, or the Goddess, as Mother of Souls, as well as the Earth Mother of physical existence. This sharing vision is relevant to us all, in our process of discovery and rebirth.
