**Her One Desire**-Kimberly Killion 2008-07-01 For His Love. . . Astride a stolen horse, encircled by the shackled arms of Broderick Maxwell, a Scottish spy escaping certain death in the Tower of London, Lizbeth Ives rides to the north, hidden by the darkness. By stealth and cunning, the daughter of the Lord High Executioner has undone her father's cruel work, compelled to save the

innocent man with her. There is no turning back--for they are bound as one in his iron chains. Consumed by mortal fear, driven by passion, they disappear into the night. . . A single raven follows them. Is it an omen? Or only the first of those who would capture them? They must ride on. If captured, they will face death together. But if they reach the Highlands, he will claim her for his own. . . forever.

Kore 2020-09-13 A forbidden attraction, an unexpected love, and a madman willing to risk it all to keep humanity pure. Life in space didn't prepare Samantha for all the things she would find after her mysterious crash landing on planet X9: forests filled with massive red trees, plants that drip a liquid eerily similar to blood, and let's not forget the demonic aliens who snatch her up the very first time she leaves the wreckage of her pod. The intrepid scientist is kidnapped by one alien and gifted to another the moment she enters the village. She never expected to become a captive bride, and she certainly never expected to find herself falling for two males who can't seem to stand each other. Hunters don't get happily ever afters. Zuran is no stranger to loss, but when Samantha is ripped away from him and given to Olan, he feels the last threads of his sanity begin to fray. The breeding heat is taking over, pulling him into the inky darkness of madness he will never come back from. The spark of hope Samantha ignites in him is the only thing keeping him sane, but will he

have the strength to pull himself out of the shadow of his past? As a breeder, Olan has been preparing for his mating since the moment he stepped out of the agmari bloom, but the fiery human female his chieftess presents to him is not the bride he envisioned. She's stubborn, mouthy, refuses to do as she is asked, and even has the gall to escape his hut while he sleeps. Samantha may have been bound to him by the All Mother, but Olan soon realizes his bride is going to make him earn the right to call her his. This is a work of fiction. Names, characters, places, and incidents either are the product of the author's imagination or are used fictitiously. This work of fiction is intended for adult audiences only and may be triggering for some. Strong language is used. Proceed at your own discretion. This book is an MMF romance novel. It contains adult situations, graphic sex, sexual assault, and violence.

innocent deception... One scorching catastrophe...Welcome to book 1 in the MacNaughton Castle Romance by Aubrey Wynne. Read for Free in Kindle Unlimited!Fenella Franklin is too tall, too intelligent, and has no title. Her talents lie in numbers and a keen business mind, not in the art of flirtation. When she becomes the object of a cruel wager during her come-out in London, she vows to put off the penniless noblemen vying for her sizeable dowry. But her season is cut short after her mother discovers the subterfuge, and Fenella retreats to Scotland.Lachlan MacNaughton has neither the temperament nor the patience to be the next MacNaughton chief, preferring to knock heads together rather than placate bickering clansmen. He readily accepts a reprieve to help with the family's textile mill in Glasgow. A sizzling chance encounter in the rain introduces him to the new female bookkeeper. His grandfather may want him back in the Highlands, but his heart has been lost in the Lowlands.The attraction between Fenella and Lachlan

sparks a passion not even two rebellious souls can deny. But an innocent deception tests their newfound love and threatens the freedom they both crave.A MacNaughton Castle RomanceBook 1 - Deception and DesireBook 2 - An Allusive LoveBook 3 - A Bonny Pretender

**Free Will, Moral Responsibility, and the Desire to Be a God**-Bruce N Waller 2020-10 "This book examines a nonconscious and profoundly harmful desire that is almost universally denied: the desire to be a god. Afflicting believers and nonbelievers alike, the desire is manifested in religious myths and throughout the history of philosophy"--

**Look Round for Poetry-**

Brian McGrath 2022-05-17

Poetry is dead. Poetry is all around us. Both are trite truisms that this book exploits and challenges. In his 1798 Advertisement to Lyrical Ballads, William Wordsworth anticipates that readers accustomed to the poetic norms of the day might not recognize his experiments as poems and might signal their awkward confusion upon opening the book by looking round for poetry, as if seeking it elsewhere. Look Round for Poetry transforms Wordsworth's idiomatic expression into a methodological charge. By placing tropes and figures common to Romantic and Post-Romantic poems in conjunction with contemporary economic, technological, and political

discourse, Look Round for Poetry identifies poetry's untimely echoes in discourses not always read as poetry or not always read poetically. Once one begins looking round for poetry, McGrath insists, one might discover it in some surprising contexts. In chapters that spring from poems by Wordsworth, Lucille Clifton, John Keats, and Percy Bysshe Shelley, McGrath reads poetic examples of understatement alongside market demands for more; the downturned brow as a figure for economic catastrophe; Romantic cloud metaphors alongside the rhetoric of cloud computing; the election of the dead as a poetical, and not just a political, act; and poetic investigations into the power of prepositions as theories of political assembly. For poetry to retain a vital power, McGrath argues, we need to become ignorant of what we think we mean by it. In the process we may discover critical vocabularies that engage the complexity of social life all around us.

**Free to Say No?**-Eric L. Jenkins 2012-12-18 For centuries Augustine's theory of free will has been used to explain why God is not the author of evil and humans are morally responsible for sin. Yet, when he embraced the doctrines of unconditional election and operative grace, Augustine began modifying his theory of free will. His final works claim his evolved notion of free will remained consistent with his early view, but this claim has provoked significant debate. Some scholars take him at his word, interpreting his teachings on free will in light of his later predestination teachings. Others reject his claim of continuity and warn of great inconsistencies between his early and later works. Few have undertaken a thorough study of Augustine's works to compare his early notion of free will with his later theory of predestination. Free To Say

No? is a detailed study of Augustine's work that presents clear evidence in Augustine's own words for a significant discontinuity between his early and later theories--especially the disappearance of the will's freedom to say "No"--and offers some fascinating insights as to why Augustine proposed such drastic changes.

**His Every Whim**-Liliana Rhodes 2020-05-22 While down on her luck, Ashley meets a handsome stranger... Curvy Ashley Monroe is having a string of bad luck. Jobless and sleeping on her friend's couch, she takes a waitressing job at an event at the prestigious Boone Art Gallery. While there, she's told one thing--stay away from the mysterious and brooding man sitting by himself. Easier said than done for Ashley who finds herself inexplicably drawn to the gorgeous stranger. After spending the evening doing things she normally wouldn't--like letting herself be seduced by this enigmatic man she only knows as Xander--she

unknowingly opens her world up to the lavish lifestyle of beautiful mansions, fast cars, and expensive clothes. Because when billionaire Xander Boone sees something he wants, he gets it. breaking personal commitments. In this groundbreaking book, Dr. Farley explores how commitments, rooted in the story of God's love, are acts of free choice and love that yield a claim. Farley's reflections are also rooted in the concrete experiences of people who strive to be faithful to what they have claimed to love: "My concern is to name something that I think is, after all, common to all of our lives an experience, a reality, perhaps a problem, a challenge, something that is sometimes a source of joy, sometimes a cause of tragedy." In eight short chapters Farley explores the nature and meaning of commitment as it is played out in our lives, addressing love, fidelity, a sense of obligation, and covenant. She also reflects on whether each commitment must be kept, and what we should do if, despite our best efforts, our commitments break down. "A brilliant study, in the literal sense that it brings needed light and clarity to a great deal of our everyday experience of sorting out, changing, reaffirming,

attempting to prioritize, and wrestling with the constantly varying demands of our many freely chosen commitments." Anne E. Patrick (of the original edition) Of the original edition, Paul Wadell wrote, "Personal Commitments is a superb book that cannot be recommended too highly. Though richly research and tightly argued, its style and method make it accessible to anyone wishing to explore the commitments we make and the wholeness we seek when we make them." Another reviewer wrote "Personal Commitments is far more than a book on the ethics of commitment and obligation; rather, it is a searching account of love in both the personal and social relationships that form human life.

**My One Desire**-Claudia Burgoa 2018-11-01 Once, they shared one soul. Can hope heal years of despair and broken dreams? Music is all I know. It saved me as a kid. It brings me fame and fortune now. But what am I, the famous Gage Rodin, doing at night when I'm on the road and can't sleep Googling her. Tess Hades, the girl who still haunts my dreams and my lyrics. She arrived like a quiet storm, a wild thing with eyes guarded to the world. But she let me into the deep end of her beautifully broken soul. When we were together, life was simple. When my life got complicated, she did what she thought was the right thing. She let me go. While she's been out saving the wild creatures of the world, my muse has fed on the memory of our life together. But now everything in my world is shifting again, and not in a good way. I'm not certain I have the strength to bear another devastating loss, so I find myself reaching for

something as rare and elusive as the perfect song lyric. The one woman who never gave up hope...

**Elizabeth Bishop**-Susan McCabe 1994-09-05 Elizabeth Bishop represents a full-scale examination of Bishop's work—poetry, prose, and selected unpublished material—to reveal how personal loss becomes implicated in her vision of self as fluid and unfixed and, at the same time, how gender and sexual identity inform the experience of loss in the act of writing. Susan McCabe argues that Bishop counters modernist claims for an autonomous art object and an impersonal artist; Bishop's writing never represents an escape into perfected forms, but instead calls attention to the processes of language that construct identity. McCabe emphasizes how personal experience is deeply enmeshed with Bishop's poetics. Bishop's project returns to her early losses—the death of her father and her mother's madness—and uses them to disclose the instability of the

concepts of self or place through a rhetoric of indeterminacy and uncertainty. Although Bishop has recently begun to receive the critical attention she deserves, this book uniquely brings loss to the foreground in connection with identity, gender, and the fashioning of a feminist poetics.

**Plato and the Elements of Dialogue**-John H. Fritz 2015-11-11 Plato and the Elements of Dialogue focuses on the structural features of Plato's writings and tries to show how he uses these features in provocative and interesting ways. Instead of focusing merely on why Plato

wrote dialogues, this book tries to discover and disclose what the dialogues are, positioning it as a complement to the already large concerns about Plato's use of the dialogue form.

**Happiness is Free**-Lester Levenson 2020-10-20 "If freedom and joy are what you seek, I couldn't recommend this book more." —Rhonda Byrne, New York Times best-selling author of *The Secret* and *The Greatest Secret* *Happiness Is Free* is filled with profound insights and practical tools that will guide you to let go of painful feelings, unwanted thoughts, and negative stories and naturally open up to the happiness and unlimited potential that is within you right now. And it's easier than you think. Simple but powerful questions for self-inquiry and effective techniques will empower you to gently let go of what, just a moment ago, seemed like an unsolvable issue or overwhelming emotion—anything from anger and frustration to fear, anxiety, and stress. learn how to apply easy-to-use practices for letting go—including Holistic Releasing, Triple Welcoming, and others—to find more joy and peace of mind in every area of your life. In each chapter, renowned teachers Lester Levenson and Hale Dwoskin (New York Times best-selling author of *The Sedona Method*) offer life-changing opportunities to break free from self-imposed blocks and rediscover the real, unlimited you—and the ultimate happiness that is your birthright. Their combination of liberating insights, inspiration, and deep releasing explorations make this book a treasured companion for anyone who is seeking to navigate everyday life with greater ease, clarity, and sense of true purpose. "One of my most treasured books that changed my life is Lester's *Keys to the Ultimate Freedom*. It features Lester's words and insights drawn from decades of his teachings, and it is the only book that sits on my bedside table. Unfortunately the book has been out of print for a long time, but Hale Dwoskin has taken all of Lester's teachings

from *Keys to the Ultimate Freedom* and put them in this new book, along with many of the releasing methods from the Sedona Method. You have the best of Lester's teachings and his methods in this one book, and if freedom and joy are what you seek, I couldn't recommend this book more. I used the Sedona Method occasionally over a ten-year period and found enormous benefit from it. Then, when I met my teacher -- who was a student of Lester Levenson's -- four years ago, Lester's releasing methods became a crucial part of my everyday life and my awakening." -- From the forward by Rhonda Byrne, New York Times best-selling author of *The Secret* and *The Greatest Secret* "Happiness is about remembering who you really are, and if you have forgotten, this book is an excellent reminder." —Deepak Chopra, author of *The Seven Spiritual Laws of Success* "If the roots of all suffering are attachments to the external, the roots of true joy are found only within. **Desire**-Nicole Jordan  
2001-12-03 Seducing readers with her scorching sensuality and searing romance, bestselling author Nicole Jordan weaves her most tantalizing love story yet. . . . DESIRE A legendary lover and spymaster, the darkly sensual Earl of Wycliff eludes matrimony until a brush with death makes him yearn for a son to carry on his name. The moment Lucian spies the alluring Brynn Caldwell on a Cornish beach, he knows he has found the woman he

wants for his bride. Brynn believes the notorious rake’s fascination with her is driven by a centuries-old curse that dooms the women of her family to tempt men-only to lead those they love to their death. Compelled by dire circumstances to marry Lucian, Brynn surrenders her body to his caresses but dares not give him her heart. Locked in a battle of wills with his bewitching wife, Lucian begins to suspect that Brynn is a traitor. Before long he finds himself lured into a web of danger and betrayal, where the price of winning his bride’s elusive heart may be his own life.

## **The Yoga Sutras Of Patanjali - The Book Of The Spiritual Man (Annotated Edition)-Patanjali, Swami**

Vivekananda 2012 This edition includes an extensive preface by Swami Vivekananda, the chief disciple of the 19th century mystic Ramakrishna Paramahansa and the founder of the Ramakrishna Math and the Ramakrishna Mission. He gives the reader deep insights about Yoga and the Ultimate Goal in Life. The Yoga Sutras of Patanjali are in themselves exceedingly brief, yet they contain the essence of practical wisdom, set forth in admirable order and detail. The theme, if the present interpreter be right, is the great regeneration, the birth of the spiritual from the psychical man: the same theme which Paul so wisely and eloquently set forth in writing to his disciples in Corinth, the theme of all mystics in all lands. We think of ourselves as living a purely physical life, in these material bodies of ours. In reality, we have gone far indeed from pure physical life; for ages, our life has been psychical,

we have been centred and immersed in the psychic nature. Some of the schools of India say that the psychic nature is, as it were, a looking-glass, wherein are mirrored the things seen by the physical eyes, and heard by the physical ears. But this is a magic mirror; the images remain, and take a certain life of their own. Thus within the psychic realm of our life there grows up an imaged world wherein we dwell; a world of the images of things seen and heard, and therefore a world of memories; a world also of hopes and desires, of fears and regrets. Mental life grows up among these images, built on a measuring and comparing, on the massing of images together into general ideas; on the abstraction of new notions and images from these; till a new world is built up within, full of desires and hates, ambition, envy, longing, speculation, curiosity, self-will, self-interest. The teaching of the East is, that all these are true powers overlaid by false desires; that though in manifestation psychical, they are in essence spiritual; that the psychical man is the veil

and prophecy of the spiritual man.

**Sermons on Galatians - FROM PHYSICAL CIRCUMCISION TO THE DOCTRINE OF REPENTANCE (I)**-Rev. PAUL C. JONG The Doctrine of Repentance Is Enough to Make You Get the Spiritual Sickness. People all over the world are afraid of the viruses like SARS, because they would possibly die by being exposed to such invisible viruses. Likewise, Christians these days around the world are dying in their bodies and spirits by being infected with the doctrine of repentance. Who would know that the doctrine of repentance is that much wrong? Do you know who made Christians fall into the abyss of spiritual confusion? They are Christian sinners themselves who offer prayers of repentance everyday to be cleansed of their personal sins while claiming to believe in Jesus

Christ as their Savior. Therefore, you have to receive the remission of sins by believing in the gospel Word of the water and the Spirit that God gave us originally. You must not lose the blessed chance to be born again. All of us have to escape from the dark tunnel of spiritual confusion by believing in the gospel Truth of the water and the Spirit. Then, we can look at the bright light of the Truth, which came by the gospel of the water and the Spirit.
